Duncanville Fieldhouse Event Parking General Liability Disclaimer

By entering and parking in the designated event parking areas near the Duncanville Fieldhouse, you acknowledge and agree to the following terms and conditions.

Event parking is operated in support of community programs led by Succeed Forever Community Transformation (DBA Vision Hackers Athletics), which provide youth sports training, mentorship, and leadership opportunities for young people across Duncanville and the Best of the Southwest community. Parking operations also help maintain a safer and more organized environment through the presence of parking attendants and security monitoring.

Parking is first come, first served. Payment of the \$5 event day parking fee (credit card sales only, no cash) provides same-day parking access only and does not reserve or guarantee a specific parking space. Re-entry is permitted, but the same parking space is not guaranteed upon return. Re-entry will only be allowed if parking spaces remain available and may require presentation of the original parking receipt.

Parking receipts must be clearly visible at all times and should be placed on the windshield or hanging from the rearview mirror so attendants can easily verify payment.

Drivers are responsible for locking their vehicles and securing personal belongings. Do not leave valuables visible inside vehicles. Parking in restricted areas, fire lanes, or unauthorized spaces is strictly prohibited, and vehicles parked in violation may be ticketed or towed at the owner's expense.

All drivers and passengers must follow directions from parking attendants and event staff to maintain safe traffic flow and pedestrian safety within the parking areas.

If the primary parking lots reach capacity, attendees may be directed to unpaid overflow parking lots located near Main Street and the Highway 67 frontage road or other designated areas as directed by event staff.

By parking in these lots, you assume all risks associated with vehicle parking, including but not limited to theft, damage, accidents, or loss of personal property. Event organizers, property owners, parking operators, volunteers, and affiliated organizations—including Succeed Forever Community and Vision Hackers Athletics—shall not be held responsible or liable for any lost, stolen, or damaged vehicles or personal property, nor for any injury or incident occurring within the parking areas except as required by applicable law.

Use of the parking facility constitutes acceptance of these terms and conditions.
